NOTICE – MEETING FOR POTENTIAL SENIOR SERVICES PARTNERS IN JEFFERSON COUNTY

The Alabama Department of Senior Services (ADSS) is holding a meeting for potential partners located in Jefferson County regarding the future delivery of service for multiple state and federally funded programs for seniors and those with disabilities in the Jefferson County service area. Only one partner will be selected through a Request for Application process.

Applicants for the delivery of service programs listed as part of the Request for Application who are provided with state and/or federal funds must comply with all established general program requirements. Each program must adhere to definitions and minimum standards to be eligible to receive reimbursement of allowable expenses. This meeting will help potential partners gain an understanding of those definitions, minimum standards and program requirements prior to the beginning of the application process.

The meeting will be held on Monday, June 27th at 10:30 AM. The location will be the Cooper Green Mercy Health Services Building (Education Room), 1515 6th Avenue South, Birmingham, Alabama, 35233. Persons who require special accommodations should immediately contact ADSS at (334) 242-5743.
